Sports and leisure activities

Because we learn better when we feel good, IMT Atlantique provides the environment and the high quality sports facilities to get you and your future career on the move.

The university's high-quality sports facilities include:

- gymnasiums,
- rugby and soccer pitches
- weight training and cardio-training facilities,
- indoor and outdoor tennis courts,
- a tatami
- a climbing wall
- a mountain bike track,
- a boating fleet: ranging from kayaks to regatta sailboats

Leisure activities off-campus

As well as enjoying the many activities on the respective campuses, it is also possible to discover leisure activities off-campus.
