- **Statistics & Operational Research**: IMT Atlantique is included for the first time in the 201-230 category worldwide and is ranked 9th in France.

"Since IMT Atlantique's entry into the QS World University Ranking by Subject four years ago, we have steadily increased our global and national ranking," says Paul Friedel, President of IMT Atlantique. We are proud of this recognition for our school, our faculty, staff, graduates and students who make IMT"
The QS World University Rankings is one of the 3 most reputable university rankings in the world, along with the Times Higher Education and ARWU - Shanghai rankings.

The subject-specific university rankings are compiled annually to help students identify the best universities in a particular subject area. The QS rankings are based primarily on academic reputation, employer reputation, research output and student/faculty ratio.
